The One Family Foundation (TOFF)
2 Pyke Street
Freetown
Professor Peter Holten.

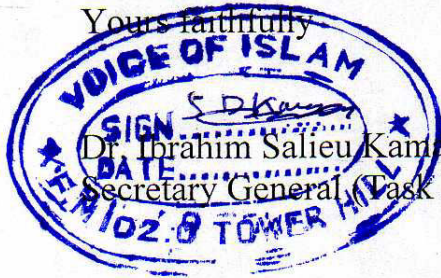

Dear Sir,

Re: - LETTER OF COOPERATION

True Islam perceives the society as one family. This can be achieved through the dissemination of moral values that would ensure family and national (global) stability. This is the primary goal of our union and the Voice of Islam.

We promise to cooperate with you in the promotion of these common values.

Yours faithfully

Dr. Ibrahim Salieu Kamara
Secretary General (Task Force).
