The Director,
The ONE FAMILY FOUNDATION,
2 PYKE STREET,
FREETOWN.

Dear Sir,

LETTER OF APPRECIATION

We the members of the above Muslim Jamat do hereby Proudly recognise the ONE FAMILY FOUNDATION as a potential and development partner in Social and Community development including youth and religious promotion and development.

We will never forget the invaluable services rendered to us by the American citizen called Prof. R.P. Holten. Through his advices and examples, we have been made aware of the great reservoir of good will that exist with the people of the U.S.A for us here in Sierra Leone. We ask that he might be our "Ambassador" when he return back to his Country. We hope he will be Conveying our reciprocal felicitations to all the people of the U.S.A (both Muslims and Non-Muslims) and our desire to establish communication especially with Youths

We do believe and hope these initiative can lead us a long way for a brighter future for our young people, and that such good will gesture will be extended. We also hope to collaborate and work with the ONE FAMILY FOUNDATION in future social and Community development work and helping us to get an Islamic resource centre for references. Once again, I thank you for the good work.

Regards

Yours in Islam

Sheikh Mohamed A. Kamara
